Serena Luxury Mosaic

MODERNA FOOTED CENTERPIECE

\$3,360

DESCRIPTION

This exquisite centerpiece is made of Murano mouth-blown glass in amethyst color and features a pedestal with a small glass sphere in the same amethyst color surmounted by a large crystal sphere covered with a mosaic of tesserae made of 24 kt gold foil and white opaque and amethyst, transparent glazes. This precious object is the most important piece of the Tableware Collection and will stand out as both unadorned centerpiece or filled with fresh citrus for a simple display or flowers for a romantic look.
