MODIGLIANI SMALL TABLE LAMP BY LAURA PELOSIO

\$670

### DESCRIPTION

This ethereal, ancestral figure is a lamp that leaves a mark. Its harmonious aesthetic transcends time and eras. The volume and ideal form of its face remains impressive for its balance. Donna Immaginazione (Imagination) has eyes half-closed to dream of new horizons. The LED light in the lampshade lights the figure from the top. The tilted lampshade becomes a headdress.
