MOMIJI POUF BY SAKURA ADACHI

\$8,240

## DESCRIPTION

Designed by Japanese designer Sakura Adachi this pouf combines a simple yet refined aesthetic with versatile functionality. Part of Tura's latest collection that combines natural parchment and maple wood with handmade chromed elements, the rectangular structure of this pouf is upholstered in a delicate ivory fabric with a maple base covered with a brass casting with a nickel finish in an elaborate geometric design. This one-of-a-kind pouf can be placed in a bedroom near a window or a vanity desk, or in a living room, both as a seating and occasional table, to add an elegant atmosphere.
