Leonardo Bossio

MONNA LISA SCULPTURE

\$9,660

DESCRIPTION

Distinguished for its captivating forms and volumes, this dramatic sculpture is a three-dimensional figuration of the Mona Lisa. The expressivity and subtlety of Leonardo Da Vinci's masterpiece is captured in the corners of the mouth, the furrowed brow, the soft folded hands, and the diaphanous veil and hair. Masterfully crafted of plaster with a gold-patina, this piece will be a well-received gift for art and history lovers alike.
