Scandola Marmi

MONOLITE SOAP DISPENSER AND TOOTHBRUSH HOLDER

\$180

DESCRIPTION

This monolithic block of black Marquina marble is an exquisite way to adorn a bathroom sink. The simple silhouette of the piece is enriched by the natural decoration provided by the striking veins of the marble, while the two holes carved at the top of the structure make it an elegant piece of functional decor. One compartment will hold a liquid soap dispenser and the other a toothbrush holder.
