MONSTERA MIRROR

\$530

DESCRIPTION

Part of the Mirror of Wonders collection, this unique round mirror will create a romantic atmosphere in an entryway, bedroom or living room with its delicate design of the distinctive, heart-shaped leaves of the tropical Monstera plant. The decoration around the border is hand painted in gold and was created using an innovative digital technique in a fablab in Milan. The back is in a solid gold color. Dedicated hanging system included. Customization of color for both graphic and mirror (gold, pink and blue mirrored glass) is available upon request. Ask the Concierge for price in these options.
