MOON WHITE ARMCHAIR

\$2,140

DESCRIPTION

Sophisticated and elegantly-proportioned, this armchair features an ash base with bleached finish that blends elegantly with the white fabric upholstery (col. 1310/01 cat. H). Channeling a bold mid-century modern style, this head-turning design is perfect in any modern living and dining room decor. From the curves of the backrest to the wide seat and the splayed legs, each element of the chair is stylish and carefully balanced to ensure the highest comfort. The legs finish is available also in wenge stain, natural, walnut, dark walnut, cherry, white or black lacquered. The covers are removable.
