MOONLIGHT 2-LIGHT BLACK CEILING LAMP BY MATTEO ZORZENONI

\$2,830

DESCRIPTION

Part of the Moonlight collection designed by Matteo Zorzenoni, this striking two-light ceiling lamp comprises a metal structure from which two metal disk-shaped shades stem out horizontally. The shades are attached on the structure by means of tiny magnet sheets, allowing to customize their positions. The metal has a sophisticated black matte finish (also available in brass satin finish upon request). The LED strip light 14W 3000K is included.
