## MOOR HEAD WITH NECKLACE AND YELLOW TURBAN LARGE VASE

\$780

### DESCRIPTION

Stately and versatile, this anthropomorphic vase of a Moor from the Heritage Collection is entirely handcrafted by master Giacomo Alessi. A dynamic homage to Sicily's rich Moorish artistic influence, this piece is distinguished for its three-color scheme: black for the Moor's rich complexion, orange for the expressive eyes, lips, and earrings, and bright yellow for the regal turban and necklace. Used to display a fresh bouquet of flowers or homemade potpourri, this vase will radiate warmth and charm into any decor.
