MOOR HEAD WITH WHITE TURBAN VASE

\$580

DESCRIPTION

Deeply rooted in artistic traditions, this regal vase with a Moor is poetically rendered by master Sicilian sculptor Giacomo Alessi. Part of the Heritage collection, this impressive piece utilizes a vibrant, three-color palette to create a visually captivating composition: black for the Moor's rich skin tone, orange for the expressive eyes, lips, earrings, and broach, and ivory for the elegant turban. Bold and dynamic, this traditional-style vase will transform any decor with its unmistakable Sicilian allure.
