MOOR'S HEAD #4 BY GLORIA DI MODICA

\$1,980

DESCRIPTION

The Moor's head vase is an iconic Sicilian ceramic inspired by a legend of love and revenge between a Moor and a maiden which dates back to the period of the Arab occupation in Sicily. This exquisite modern interpretation of the traditional Sicilian ceramic Moor head is artfully molded and decorated with mother-of-pearl details and a fine gold finish. The magnificently detailed turban enhances the regal features of the piece. A certificate of authenticity is provided with each vase.
