## MOOR WOMAN HEAD WITH YELLOW TURBAN VASE

\$780

### DESCRIPTION

Part of the Heritage Collection, this anthropomorphic vase of a Moor woman is a distinctive representation of artistic prowess and Sicilian history. Handcrafted by Giacomo Alessi, the woman's intense countenance is marked by vivid colors and sculptural details: rich complexion, relief detailing in the bold eyebrows and locks of black hair, and vibrant accents of orange for lips and earrings and bright yellow for the turban and necklace. Showcased as a centerpiece in an entryway or living room, this exceptional statement piece elevates ceramics to art.
