MORUS #4 BOWL

\$550

---

## DESCRIPTION

This exquisite bowl can be a striking centerpiece on a dinner table, or a magnificent display and storage space in an entryway. Its one-of-a-kind silhouette and textures show the natural life of a piece of mulberry wood that was hand-turned and treated externally with oxides so that the natural hue of the wood inside strikingly contrasts with the grey color of the exterior. Nature and art come together magnificently in this piece that has a timeless, elegant allure.
