MOSER CABINET BAR

\$27,580

DESCRIPTION

This exquisite cabinet bar has the flair and sophistication of the art deco style and is made entirely in wood with a black, glossy finish. Glass accents run around its edges and down to its feet with mirror inserts that were inlaid and given a "hammered" finish. The bottom of the feet and the handles of the two doors are in brass with a satin finish and an aged finish. The design of this timeless piece is by Giovanni Luca Ferreri.
