MOSTRO NOSTRO 1 WALLPAPER

\$550

DESCRIPTION

Handmade by master artisans, this wall decoration was designed in collaboration with the agency Studio Blanco. This striking and bold wallpaper will make a statement in any room it is placed. Its design re-interprets the concept of engraving with a dark background adorned with graphic accents that have an elegant transparency due to the gel used to apply them. Each sheet is a one-of-a-kind piece and is sold by the square meter.
