MR. FLOYD ARMCHAIR

\$4,110

## DESCRIPTION

Part of the Floyd collection, this sophisticated and comfortable armchair will be a versatile addition to any decor. Its clean lines are of crush-proof polyurethane padding that covers the wooden structure, with velveteen lining and weaved-in elastic belts. The seat is filled with a combination of goose feathers and inserts of 35kg/3m polyurethane foam, while the back has goose feathers and inserts of 22kg/3m polyurethane. The wooden feet can be dyed oak or wenge. The piping of the sepia-colored leather upholstery is also customizable - please ask the Concierge. Contract and commercial certifications available upon request.
