MR. LIPS NECKLACE

\$380

DESCRIPTION

Counterpart of the Mr. Lips ring, this punk-rock piece is a bold and striking addition to a modern woman's jewelry box. It was crafted by hand of gold-plated bronze and comprises an adjustable chain (the length going from 40 cm to 80 cm) and a textured pendant. The pendant reproduces a set of lips, equipped with small devil horns on top and with a tongue sticking out. This necklace will equally stand out over a minimalist, monochromatic dress, or a layered ensemble.
