MR. LIPS RING

\$430

## DESCRIPTION

Playful and unconventional, this striking ring was meticulously handmade of bronze with a gold plating. The smooth surface of the band is adorned with sumptuous lips with a stuck-out tongue and two small devil horns atop the upper lip. The edgy aesthetic strikingly contrasts with the traditional choice of material, enhancing its elegant and warm glow. Either for a casual date with friends or a special evening occasion, this ring will make a bold statement on any occasion.
