MR TEDDY-LOVE + CLUTCH

\$940

DESCRIPTION

This elegant clutch is perfect for storing personal items and it comes complete with an interior calfskin leather pocket made to fit an iPhone 7. The exterior of this piece was crafted entirely by hand by a master artisan in high-quality plexiglass and all of the metal embellishments were 3D printed, and then plated in gold after being first burnished by hand. Also available is a chain strap that can be removed. This collection merges Italian heritage and innovative techniques, producing a unique product.
