MT TALL SIDE TABLE

\$1,060

### DESCRIPTION

This elegant and modern side table is part of the Gotham collection, designed in 2017 by Federico Carandini. It boasts a light and minimalist structure in grey-colored metal with a square section that supports a round top in Carrara marble. The luxurious look and feel of the precious stone add charm to the piece that will be a one-of-a-kind decorative accent to any interior. A versatile piece of functional decor, this side table can double as striking nightstand. It is also available also in Cipollino or New Saint Laurent. Other marbles are available upon request.
