Bitossi Ceramiche

MULTI SHAPE BLACK LAVA VASE

\$780

DESCRIPTION

This hand-crafted ceramic vase will make a unique addition to any dining table when used as a centerpiece to hold a single flower at a dinner party. It can also be placed on top of a dresser in a bedroom or in an entryway. Its body features multiple round shapes in a stacked construction and a color block glazing pattern. The coloration features bands in two shades of black lava glaze accented by a band in bright green and one in blue. A delicate mouth adorns the top of this vase.
