MUSICA RED OVAL BOWL - LIMITED EDITION BY GIO PONTI

\$6,660

DESCRIPTION

In La Conversazione Classica collection, legendary designer Gio Ponti created a superb series of scenes that allegorically depict classical and Neo-Classical symbols using Art Deco style. In this elegant bowl, over a red background that evokes the iconic Pompeian hue, the figure of a woman is depicted while leaning on the ruin of a classical capital, creating a dynamic composition that symbolically portraits Music.
