**MYPLACE ARMCHAIR WITH ENVELOPING HEADREST BY  
MICHAEL GELDMACHER**

\$4,285

### DESCRIPTION

This unique chair is highly customizable because its base and structure can be personalized allowing for the possibility of 18 different configurations. In this case, the wooden structure rests on a swivel black metal base and is filled with expanded polyurethane that is crushproof and strengthened with polyester fiber. The cushions, arm rests and an enveloping headrest make this piece modern and striking. The non-removable cover is available in different fabrics and leathers, here in yellow brushed wool. Contract and commercial certifications available upon request.
