MYPLACE YELLOW ARMCHAIR BY MICHAEL GELDMACHER

\$2,935

DESCRIPTION

This striking armchair will make an elegant statement anywhere in a home: either in the living room, along modern and vintage design, or in an entryway or bedroom, especially if paired with others from the same series. Highly versatile, this piece has a delicate base in black metal supporting a wooden structure with cushions in crushproof polyurethane with polyester fibers. The cover is not removable and is in brushed wool with a bright yellow finish (but it is available in other fabrics and leathers). Contract and commercial certifications available upon request.
