N.1 NATURAL CHAIR

\$1,170

## DESCRIPTION

A timeless and sophisticated object of functional decor, this chair was crafted of Thonet's signature steam-bent solid beechwood. Its structure boasts a charming natural finish and features slightly curved legs, a seat covered in Viennese cane, and a superb back adorned with a single element that curls to create three drop-shaped decorations. This elegant chair will be an eye-catching accent around a modern dining table or in a classic entryway or study.
