N. 11 CHARGER BY LORENZO BOCCA

\$105

DESCRIPTION

Designed by Lorenzo Bocca, this charger is part of a limited series of striking pieces crafted in steel with a brushed finish and adorned using the screen printing technique. The mesmerizing use of graphic motifs and the juxtaposition of black and purple over the white background create a modern and sophisticated piece that will enliven a contemporary dining table. It is possible to combine this design with the others in the same collection for a dramatic look.
