### N. 12 CHARGER BY MARCO SOLZI

\$105

#### DESCRIPTION

Designed by Marco Solzi and part of a limited series, this charger was crafted in steel with a brushed finish and decorated using the screen printing technique. The wide blue eyes of the woman portrayed in a closeup on the surface of the charger are mesmerizing and intriguing, adding a sensual and elegant accent to any modern home. Either used as a decorative piece or on the table, combined with other designs in the same series, this elegant object will not go unnoticed.
