N. 15 CHARGER BY ELISA NOGARIN

\$105

DESCRIPTION

Designed by Elisa Nogarin, this charger is part of a limited series of striking pieces that will add texture and intrigue to a modern table, or can be used to add decorative accents in an industrial decor. The round surface of this plate is made of steel with a brushed finish decorated using the screen printing method and boasting neutral and metallic hues, combined in a variety of patterns. For a complete look and dynamic effect, it is possible to combine this with the other chargers in the series.
