N. 2 CHARGER BY LORENZO BOCCA

\$105

DESCRIPTION

This modern and sophisticated charger is part of a limited series by Lorenzo Bocca. It was crafted of steel with a brushed finish and decorated with a bold color-block motif using the screen printing technique. On the white background of the plate, a series of geometric shapes in black and gray create a perspective, punctuated with a red accent. Dynamic and unique, this piece will bring a striking decoration to a table, especially if combined with other designs in the same collection.
