NAMI GOLD RING

\$150

DESCRIPTION

The water and its delicate waves inspire the stunning curves of this gold-plated bronze ring. Entirely made by hand, this piece combines traditional crafting methods and Noshi's innovative aesthetic. The result is a timeless and sophisticated design that will enrich any modern wardrobe, either alone or paired with other pieces from the Origami or the Lava Collection. The inner layers of the ring are hammered to replicate the texture of a sea sponge, adding an organic quality to the surface of this superb piece.
