NASTRO 3D GLASS TABLE BY DANIELE MERINI AND MAC STOPÀ

\$21,860

DESCRIPTION

A sublime expression of innovative, technological design, this extraordinary table is distinguished by a powerfully captivating 3D pattern whose striking interplay of lines and shadows is highlighted with a vivid baby blue color. Designed by Daniele Merini and Mac Stopà, it is fashioned of a single curved sheet of 15 mm-thick extra-clear glass, supported with a 12mm-thick extra-clear tempered glass panel and assembled with stainless steel elements. Other colors are available upon request.
