NASTRO WHITE GLASS TABLE BY DANIELE MERINI

\$17,425

DESCRIPTION

Pushing innovative, technological design and engineering at their utmost limit, this superlative table by Daniele Merini will imbue a contemporary interior with a striking unprecedented charm. A single curved sheet of 15mm-thick extra-clear glass with a lacquered back is firmly supported with a 12mm-thick extra-clear tempered glass panel, adding to its light and delicate flair. Enriched with polished stainless steel details, it is available in a wide range of lacquers upon request.
