**NATIVITÀ SCULPTURE #2**

\$2,760

## DESCRIPTION

A stunning and unique piece of art, this sculpture is a reinterpretation in modern key of the Holy Family, with the figures of Jesus, the Virgin and Joseph in a seemingly suspended stance created by layers of coiling terracotta ribbons. Entirely crafted by hand, this captivating piece has a turquoise enamel color with metallic reflections that highlight its sculptural quality. This modern, yet timeless portrayal of the Nativity scene stands to symbolize the true meaning of humanity, love, and peace, making it a perfect standalone object in any room as well as a thoughtful gift.
