Grand Tour by Vito Nesta

NATSUMI SET OF 6 RED PLATES

\$550

DESCRIPTION

Recalling the traditional Imari images and three-color palette, this elegant set features six lush Japanese landscapes in brilliant ivory-gold on a rusty reddish-orange background with small cobalt blue details and rims for a striking contrast. Part of the Natsumi series of the Grand Tour Collection by artist Vito Nesta, this set of six plates will inspire guests with wanderlust for distant lands and cultures.
