Le Morandine by Sonia Pedrazzini

NATURA MORTA 4-VASE SET #2

\$785

DESCRIPTION

A stunning addition to a modern home, this set comprises four vases, all handcrafted of ceramics and painted by hand. Each piece features a different shape and height and was painted by hand with a lacquered interior and a matte, brick-red exterior that further enhances the different silhouette of these vases. Inspired by the timeless and austere charm of Giorgio Morandi's still life paintings, these vases can be displayed in a myriad of different combinations for a striking final effect. Le Morandine collection.
