Le Morandine by Sonia Pedrazzini

NATURA MORTA 4-VASE SET #7

\$830

DESCRIPTION

Part of an iconic collection of handcrafted ceramics vases that celebrates still-life master Giorgio Morandi, this set of four comprises three similar designs combined with a singular one. Directly inspired by the singular shapes of the bottles and vases painted by the artist, each piece is enhanced with an external matte finish in brown, cream, and white tones and a lacquered interior.
