### NATURA MORTA 5-VASE SET #1

\$910

#### DESCRIPTION

A celebration of the austere serenity of Giorgio Morandi's still life paintings, this set of five vases is a unique and stunning addition to a modern home, where the pieces can be arranged in an endless variety of combinations to recreate the mesmerizing ambiance of Morandi's masterpieces. This set was handcrafted of ceramic with hand-painted lacquer interior and matte exterior. Each item boasts a different shape and is highlighted with a different color, going from off-white to yellow to deep ochre. Le Morandine collection.
