NATURA MORTA STRAIGHT SUPPORT IN BRASS

\$280

DESCRIPTION

Part of the Natura Morta collection, this brass support is intended to display a small object taken from nature such as a leaf or a dried plant or even a colorful feather (not included). Its sophisticated silhouette features a disk on which a straight element is balanced at a 45 degree angle. Inspired by the Japanese art of Ikebana, this support allows for endless creative possibilities and will elegantly change the mood and appearance of a room or entryway.
