NATURA TRAY

\$910

DESCRIPTION

Merging aesthetics and functionality, this walnut tray will be stunning decorative accent a living and dining room interior alike. Crafted and painted by hand using water-based, non-toxic paint, the Byzantine-inspired motif featured on this square tray combines overlapping, geometric shapes in gold, white, red, and gray on a gold background. Part of a limited edition of 20 pieces, this piece fits perfectly on a dining or coffee table as a centerpiece or as a tray for serving tea, transforming any interior with timeless elegance.
