Anna and Rosaria Corcione

NATURALIA ET MIRABILIA SICILIA PAINTING

\$1,550

DESCRIPTION

This thoughtful, square painting splendidly combines oil and acrylic techniques with the application of polish on natural plasters and pigments. Resulting in an uneven yet pleasant textured surface, the blue background evokes gently rippled waters. The twig sewn by hand onto the canvas hints at the interdependence between nature and art -hence the collection's name "Naturalia et Mirabilia".
