NATURE AQUARIUM BEIGE WALLPAPER

\$235

DESCRIPTION

A masterful combination between artisanship and technological innovation, this gorgeous wallpaper is perfect for the cladding of interior walls thanks to its fireproof, unscented, breathable, and hypoallergenic qualities conferred by a mixture of cellulose, textile fibers, and vinyl. Artful and appealing, it depicts various marine species rendered in soft antiquated hues. This exquisite design is also available made of fiberglass or in the ECO version upon request to the Concierge. The price is per squared meter.
