## NATURE MY FANTASY GARDEN WALLPAPER

\$235

### DESCRIPTION

Art and design exquisitely merge in this gorgeous wallpaper depicting a colorful and lively garden with different flower species and butterflies. Suitable to the cladding of interior walls, it is made of cellulose, textile fibers, and vinyl which make it fireproof, breathable, unscented, and hypoallergenic. Part of the Nature Collection, it is also available in a fiberglass or ECO version, please consult the Concierge for further details. The price is per squared meter.
