NAUTILUS SET OF 2 BOOKENDS

\$1,265

DESCRIPTION

This Nautilus Bookends set is the perfect addition for any nautical-themed home, and equally glamorous in a mid-century and eclectic interior. Crafted of brass, the Nautilus shell is exquisitely rendered in detail, its smooth surface enhanced by the polished finish and mounted on a tiered rectangular base. Whether in pairs holding books on a bookcase or used individually as a decorative object, this bookend is sure to make a style statement. Sold both as a set and individually, the price refers to a single item.
