NAVAGERO MURANO GLASS MIRROR

\$2,770

DESCRIPTION

Bold yet feminine, this exceptional mirror handcrafted by Venetian master glassmakers will be a splendid focal point in classic or eclectic decors. The indented frame in golden crystal accented with matching leaves and flowers follows the sinuous profile of the outer section in pink-toned mirrored glass, which is adorned with handmade floral etchings that complete the piece. Handcrafted according to 14th-century glass techniques.
