NDP12 CARPET BY NATHALIE DU PASQUIER

\$3,080

DESCRIPTION

Part of a 36-piece collection, this rug by Nathalie Du Pasquier (who also signed each piece), was made in Nepal by master artisans who followed every step of its production. The wool, one of the finest in the world thanks to the high-altitude at which the animals graze, is woven in with cotton using ancient Tibetan techniques. The result is a modern carpet that features geometric decorative patterns and bold colors and that will enhance the appearance of a contemporary room with elegance and exquisite craftsmanship. Handmade by craftsmen in Uma technique. Life's Commodities 2004 Collection.
