\$4,540

DESCRIPTION

Part of the Post Design collection and one of 36 pieces of this limited series designed by Nathalie Du Pasquier, this carpet was hand knotted by master artisans in Nepal who used Tibetan techniques and Tibetan wool, one of the finest in the world. The result is an exquisite piece in which the wool was entirely prepared by hand and then decorated with bold symmetrical patterns and vivid colors over a dark background. The result is a one-of-a-kind, signed item that will enhance the look of any modern home. Handmade by craftsmen in Uma technique. Life's Commodities 2005 Collection.
