NEON 2-ELEMENT BRACELET WITH BOLT

\$280

DESCRIPTION

This dynamic and sophisticated design is part of the Neon collection of bracelets that can be combined together to create a modern tribal look. In this case, two elements form the structure of the piece that is crafted half in 925 silver and half in bronze. The tubular parts intersect on the back, while the front features a decoration with a bronze bolt on which are mounted three white sapphires.
