## NERONE DINING TABLE

\$14,055

### DESCRIPTION

This sophisticated dining table embodies the perfect balance between innovation and tradition, showcasing a simple silhouette enriched with luxurious details that will make a statement in a classic dining room. The imposing rectangular wooden top (8 cm. thick) is decorated with gray scagliola shagreen that masterfully reproduces prized Ray fish leather. The cabriole-style legs, encased in the recessed apron, are handcrafted of brass casting with scroll details on top and pad-style feet. The colors can be customized upon request, please ask the Concierge for details.
