NESTING CLEAR AND GREEN LOW SIDE TABLE BY RONAN & ERWAN BOUROULLEC

\$1,770

DESCRIPTION

This low side table is entirely handcrafted of clear Murano glass with a top of extremely thick poured glass embellished with a bold green border. The name refers to the complex production process in which the blown glass cylindrical legs are embedded (or “nested”) into four holes on top's corners. The Nesting Collection by Ronan & Erwan Bouroullec is available in transparent and amber and in different heights that can be mixed and matched for a striking look.
