NESTING CLEAR TALL SIDE TABLE BY RONAN & ERWAN BOUROULLEC

\$4,900

DESCRIPTION

Part of the Nesting Collection of Murano glass side tables offered in two colors and heights, the clear glass gives the simple geometric shape of this table an ethereal look. The distinctive feature of the collection is the seamless design of the blown glass legs that are nested into four holes on top's corners and masterfully welded into the thick poured glass top. Displayed in mixed and matched compositions, this side table will add an element of simple elegance to any interior.
